# ***A Brief History***

*Blackburn North Cricket Club was born out of post-war Box Hill, largely from the efforts of brothers Bob and Frank Boyles, Perc Yeomans and Stan Botheras. Oral history suggests that as early as 1947/48 matches were arranged independently and played on a rolled earth wicket covered with coconut matting in the area north of Box Hill Brickworks' quarry (locally known as Surrey Dive - behind the Brougham St homes of Yeomans and Botheras). That said, the Club's recorded history begins on 16 August 1948 at Perc Yeomans' home, 27 Brougham St Box Hill, when it was constituted as Meadow Cricket Club, being named after a tennis club in the Mallee where Stan Botheras had been a member. The first committee was W. Barnett (President, Assistant Secretary), R. Boyles (Secretary), D. Ferguson (Treasurer - replaced by D. Cashen on 4 October), S. Botheras, N. O'Grady, E. Cooper, B. Curling, and G. Gordon. The Club played at Herbert Oval until at least 1951/52. By 1953/54 at least one team was playing at Surrey Park opposite the old Box Hill Baths until 1966.*

*At a meeting held on 18 August 1965 at 30 Elmhurst Rd Blackburn, the home of then President Len Toogood, the Meadow CC became Blackburn North CC following negotiations between Secretary John Hird and the Blackburn North Progress Association. In 1965/66 the senior second eleven played at Blackburn High School (west oval) and the following season all senior and junior teams moved to the newly completed Koonung Reserve.*
